LOCALS

Ole Berg invested in a new Ford cart this week.

Carl Brewrinck, of Carmangay, was in town on Tuesday.

W. McKenzie, the barber, bought a Chevrolet car this week.

Mrs. McKinney was a visitor to Lethbridge this week.

Why do you bother to make bread when Barber's Bakery can supply your needs?

Charlie Chaplin, who appears at the Rex on Friday and Saturday, will give a first class entertainment.

Mr. G. Carlberg, of Seattle, is visiting his father Rev. Carl Carlberg.

W. S. Walsh, the demonstrator and salesman for the Ford Co., has been in town this week.

Messrs. McConkie, Holmes, Mitchell and Boese were visitors to Medicine Hat, on Monday.

Rob Storay has purchased Dr. Macmillan's car and the doctor is in the market for a new one.

Ladies, Mr. C. J. Braaten has an announcement in his ad, space, this week, that is of special interest to you. Read it.

Remember the afternoon Tea and sale of home cooking in the room back of the post office, on Saturday, May 6th.

A farmers' meeting is called for Saturday afternoon to arrange for the U. F. A. Sunday and to discuss the question of no-operation. All members should attend. St John's Parish Hall 2 o'clock.

The snow and rain of last Friday and Monday practically guarantees a crop this year. The weather this spring has been ideal and farmers are feeling very optimistic. Alberta is in for a period of prosperity.

Mrs. Wooster, one of Claresholm's old-timers, was in town this week. Since leaving here she has been living in Valiers, Montana, where Mr. Wooster has been in business. Mrs. Wooster and her daughter are taking an extended trip to Saskatchewan and Manitoba.

A preacher was passing down the main street of one of our cities and saw a news boy, hugging a bundle of papers, crouched in a corner half asleep. Touching him on the shoulder he said, "Sonny, why don't you call your papers?" "Cos," said the boy, "there's nothing in 'em to holler about." That's why some business men don't advertise—they have nothing to holler about.

We respectfully ask the readers of this paper to patronize the merchants who advertise. They are the men who make it local paper possible in this district. It is largely owing to their public-spirited interest in the town that enables a home paper to exist. Just give this a moment's serious thought, gentle reader; make a note of the firms that advertise, and know that by backing them up with your patronage you are backing up the very best class of citizens we could have.

At a meeting of the Executive Committee of the Claresholm Branch Canadian Patriotic Fund, N. G. Holmes was elected president in place of Dr. Steves, who has joined the colors, and the Rev. J. Phoenix was elected Vice-Pres. in place of Rev. H. M. Henderson. It was reported that about \$1800.00 had been actually paid into the Claresholm branch, of which \$135.00 had been so far remitted to the Calgary office of the South Alberta Branch. It was felt, however, that the return from the country districts was disappointing and it was resolved to commence a more active campaign.

The executive of the Temperance and Moral Reform League is holding this week at Edmonton. They will be doing considerable work in the various changes made by the Presbyterian synod last week and give some information regarding what actually took place at the convention at Calgary in January last. In view of the fact that a Presbyterian minister has been the general secretary for the ten years the league has been in existence it hardly seems as if the narrow sectarian spirit has been shown by the other church or connected with the organization, such as the resolution passed at the synod would suggest. We learn that the nominating committee that selected the honorary presidents, who are said to belong largely to one church, consisted of four Presbyterians, four Methodists and four Baptists. It seems likely the synod was not acquainted with all the facts, or it certainly would not have given its approval to such an unjust resolution.

Five Mile District

Mrs. Siple, sister of B. A. Anna-
bel, arrived on Thursday from North
Dakota, and will spend a few weeks
here.

T. P. Mosley moved to the farm
last week.

Mrs. Mike Fredrickson is on the
sick list this week.

Ernest Mosley accepted a position
at the C. P. R. last Tuesday.

Stavely News Notes

John Hennigar recently arrived
from Portland, Oregon, and has
taken up his residence on his farm.
He was accompanied by his father,
H. P. Hennigar.

P. Johnson lost a valuable horse
this week.

H. Walker, the machine man, is
building a new house.

Pete Brumholt sold two cars of
Fords this spring. The farmers are
buying freely, which is a sign of
prosperity.

Sid Cooper has just returned from
his two weeks' visit to Baillif Springs.
His health has greatly improved.

Mrs. Simonson is in Portland,
Oregon, visiting with her parents.

John Dessler is having an auction
sale on Saturday next. He will
leave immediately after for the
States where he intends enlisting in
the army service.

The soldiers who have been assist-
ing in the seeding operations returned
to their respective camps this
week.

The hotel proprietor, Mr. Buckle,
has gone to England. He received
word recently of the death of his
sister and the wounding of his father
and mother during a Zeppelin raid
over the east coast of England. A
bomb dropped from a Zeppelin and completely
destroyed the house in which
they were living.

D. H. Olier lost his big barn by
fire last week. The loss is estimated
at \$5,000.00, which was covered by
insurance only to the extent of
\$600.00.

Wm. Lebow has purchased the
smallest business of John Dessler.

Mrs. Hopkins is contemplating a trip
to the coast and will probably
leave next week.

Mr and Mrs Hudson, and family
left last week for Nanakote where
they expect to reside for some time.

A surprise party will be given to
Mr. Dessler and his sister on Friday,
of this week, and presentations
made by their many friends at
Stavely.

Mr. Eugene Wood was married
last Monday to Miss Dora Hanson,
of Parkland. The wedding took
place at the home of Norton, Rev.
Toonies officiating.

A presentation will be made on
Friday to Mrs. Dessler, by the ladies
of the Methodist and Presbyterian
Churches. Mrs. Dessler has made
herself useful in the various ladies'
organizations and will be greatly
missed.

Private Chas. Reynolds, of this
town, was in the casualty list on
Wednesday as being wounded.
Word received by his father indicated
that he was wounded in the
arm and it was not very serious.

May 21st will be a big day. The
U. F. A. will hold a mass meeting in
the Fair grounds on Sunday after-
noon. The ministers of the town
and several others will speak. A
specially trained choir will provide
the music. Farmers from all over
the district are expected to attend.

The Review-Advertiser would like
to get in communication with any-
one who will send in local news from
the district outside of Stavely. We
will pay for a year's subscription for
the MacLean Magazine and give good
commission on new subscriptions.

BABY WELFARE CAMPAIGN

Much interest has been taken in Calgary in the Baby Welfare campaign which has been conducted under the auspices of the Naomi Society.

Our farm papers as well as the various governments have for many years sought to show the importance of raising good stock on our farms, and a great deal has been done to improve the quality, particularly of horses and cattle that have been produced. Little has ever been said regarding the need of improving the quality of human stock. Many children are drawn into the world by their parents and by their grandparents, and they in turn will damn future generations.

Every baby has a right to be well born, and the State certainly ought to have the right to step in, as was advocated by one of the speakers, and prevent the unfit from raising a nation of defectives.

Then having been well born the child has a right to live, and yet, as Dr. Stetson said in his address on Monday last, "Babies are dying at the rate of one in three in China, one out of four in Russia, one out of six in Europe, one out of eight in America and one out of twenty in New Zealand. The differences shows the degree of care and intelligence used in these different countries in the raising of children."

One of the most interesting addresses was given by Dr. Lincoln of the Forum on Sunday afternoon, and Dr. Lincoln mentioned the following two premises: That children must be well born and that they must be properly and carefully reared; and defined the factors which produced a marked detrimental effect on children at birth, as venereal disease, alcoholism and mental defects in the parents.

Declaring that 65 per cent. of the male population suffer from venereal diseases, which causes a high infant mortality both before and after birth, and is the cause of 75 per cent. of the blindness that exists in the world, he demanded that the State should take the following measures to insure the child a fair start with a healthy constitution:

1. Venereal diseases should be treated as any other infectious disease. Some form of notification and supervision by the health authorities should be adopted. Patients suffering from venereal diseases should be encouraged to seek early and prolonged treatment, as these diseases are largely curable if this be done.

2. Greater safeguard should be placed about our marriage laws. Those suffering from any active infectious disease or marked mental deficiency should be prevented from propagating.

3. Abortion should be abolished, and all mental defectives and the habitually criminal should be confined to institutions or sterilized, thus forever preventing the production of defective children.

5. Pensions for mothers and allowances regulating work of pregnant women should be enacted.

6. Allowances should be made to widows left destitute with small children.

The baby welfare campaign is circulating some useful information and should be the means of stimulating co-operative effort to attain a public state of affairs more beneficial to children.

The C. N. R. is to get a loan from the government of \$15,000,000 and the G. T. P., a loan of \$8,000,000. A part of this is to be used for construction purposes so that there is a chance yet for Calgary-Macdonald. It is surprising how easily the railways put through their loans.

Production and Thrift

"GAIN or no gain the cause before the farmers of Canada is as clear as it was last year—they must produce abundantly in order to meet the demands that may be made, and I believe this to be especially true in regard to live stock, the world's supply of which must be particularly affected in this vast struggle."—HON. MARTIN BURKE, Minister of Agriculture.

THE FOLLOWING STATEMENTS ARE BASED ON REPORTS CONTAINED IN "THE AGRICULTURAL WAR BOOK, 1916," PUBLISHED BY THE DEPARTMENT OF AGRICULTURE, OTTAWA, ONT.

LIVE STOCK—The herds and flocks of Europe have been greatly reduced. When the war is over there will be a great demand for live stock. Canadian farmers should keep this in mind.

MEATS—In 1915 Great Britain imported 661,208 tons of beef, mutton and lamb, of which 304,545 tons came from without the Empire. Out of 490,420 tons of beef only 104,967 tons came from within the Empire.

The demands of the Allies for frozen beef, canned beef, bacon and ham will increase rather than diminish. Orders are coming to Canada. The decreasing tonnage space available will give Canada an advantage if we have the supplies.

WRITE TO THE DOMINION DEPARTMENT OF AGRICULTURE AND TO YOUR PROVINCIAL DEPARTMENT FOR BULLETINS ON THESE SUBJECTS

Tens of thousands of Canada's food producers have enlisted and gone to the front. It is only fair to them that their home work shall be kept up to the best of possible. The Empire needs all the food that we can produce to 1916.

War Notes

Sergeant W. T. Crumley, son of Dr. Crumley, principal of Wesley College, Winnipeg, was killed in action on April 17th. Sergeant Crumley is a nephew of Mrs. Mc Kinney of this town.

Private Herman Sparks, in a letter to Clarendon friends, said that he was expecting to leave for France on the 1st of May. At the time of writing he was at Branshott camp. He reports Ernie Buehning, who is having left for the front early in April, and J. H. Richards who resided in Clarendon for many years, was at Branshott camp a few weeks ago.

In Serbia the Germans have made a clean sweep of all the copper, silver and solder from the churches and religious monuments, and have even carried off metallic funeral embalms from tombs.

It was a severe blow to the British when General Townsend, to save his troops from starving, was compelled to surrender to the Turks at Kutshamur. It has been reported for a long time that a serious mistake was made in sending him and a small army against the Turks. General Townsend, it is said, leaving said that the force was not sufficient, but his judgement was overruled, and like a good soldier he went forward to what he was convinced would be a failure. After a struggle of 143 days and conducted with a fortitude that will forever make his name memorable, his 6000 Indian and 4000 British troops surrendered to the enemy. The returning column got within fifteen miles, but owing to floods and the strength of the Turkish defenses could go no further.

The rebellion in Ireland now seems to be over. At least 500 rebels were killed and 15 or more wounded in the seven days fighting in the streets of Dublin. There seem to have been about 1400 implicated in the rebellion and most of these have surrendered to the authorities. They are being taken to England to stand trial. If more drastic measures had taken place to suppress the anarchist element in Ireland in the past the country might have been saved this disgrace.

The Elthorpe this week received a letter from Alfred Chamberlain, wireless operator on H. M. S. Calanthe, sending thanks for the Clarendon Advertiser, which he had been sent him. He reports very bad weather on the North Sea. His many friends will be glad to hear that all is well with him.

Tenders Wanted

LOCAL NEWS OF TOWN AND DISTRICT

BY OUR STAFF REPORTER

GRANUM, ALBERTA, MAY 5, 1916

Phil Jeffray, of Barons, spent the week at home.

Mr. L. H. Coshin has invested in a big McLaughlin car.

Mr. Joynt spent the Easter holidays in Calgary.

Born, to Mr. and Mrs. Ed King April 23rd, a son.

Miss Huntley and Miss Brown attended the teachers' convention at Edmonton.

Mr. Sears, from Pincher Creek, has taken a position with Moore & Brown.

Mr. Chas. Taylor left last week for Frank. It is reported that he is starting a new business there.

Miss Munro, of Regina, is the new waitress at the White Restaurant.

Quite a number of Granum folks attended the Rebecca dance at Lethbridge last week.

Mr. T. Ross and Mr. Tenant, of the Commerce Bank, are leaving in a few days to enlist in the 137th.

Mr. Axel Anderson unloaded a car of Cheveron automobiles last Monday. There are still a few for sale.

Mr. D. Farmer and her two children returned from the coast last week where she has been spending the winter.

Horse buyers have been in town this week securing horses for the Lundbreck camp. Good prices were paid.

The junior baseball team played with the Clarendon boys on Friday last. The game resulted in a victory for the Clarendon team, the score standing 5 to 4.

The Red Cross are having a sale of arms, dresses, home-cooking, next Saturday, in the council chambers. It is hoped that everyone will patronize this worthy cause.

The Old Friends paraded to the Presbyterian church last Sunday night. There was good attendance and the service was much appreciated.

Smith and McDougall are doing a roaring business at the White Restaurant. For a good square meal and quick service they cannot be beaten. Drop in and try the ice cream.

One of the Granum cars last week had an interesting experience in the Clarendon main street. It took an hour to get it out of a mud hole and another hour, when it got home, to wash the mud off.

Don't call the shoemaker out of bed in the middle of the night for a pair of boots you might just as well have got in the middle of the day. He will do nothing to please you but doesn't make a practice of sitting on his last all night.

The local shoe man has been

painting his promises and planting his garden in anticipation of an early proclamation of peace. Get your boots soled, soled and polished ready for the parade.

On Saturday last the little two-

year old daughter of Mr. George Simmonds, died of pneumonia. This is the second death in the family this spring. The funeral took place in the White Lake church on Monday. Their many friends wish to express their sympathy to the parents in this sad bereavement which they are called to endure.

A few weeks ago we suggested to the business men that the front street would be greatly improved if the stores were painted. We are glad to see that many are following our suggestions. We would not like to suggest that a good ad. in your local paper, as to the contents of your stores, would bring good returns. Try this, too, gentlemen.

Death of Mrs. R. McLeod

Mr. Isidoruk McLeod died suddenly at his home on Good Friday. [She had been visiting at Mrs. Garson's, with her little girl, and had only returned home about twenty minutes, when she was taken ill and in a few minutes had passed away.]

Mr. McLeod came to Granum three years ago from Lucknow, Ontario, and has been living on a farm a few miles east of town. The funeral took place from the family residence on Monday last, Rev. McMinim officiating.

She leaves to mourn her loss a husband, two boys and a girl.

Americans and the War

There is a strong element in the United States that is willing to see the Republic suffer any humiliation rather than become involved in the great war.

Senator John Sharp Williams recently told certain members of the Upper House what he thought of assuming this craven attitude.

"You want to go to Mexico!" he said, "and kill a lot of people and James Janus because the Jesse James bandits robbed you. I will tell your citizens, Yet not a blessed soul in this country is introducing a resolution about the several hundred Americans killed, but by irresponsible bandits, but by the prepared and declared policy of a government. And why? Simply because you think Mexico is little enough to be kicked, and Germany is too big to be kicked." There is, however, an increasing number who cannot see how their country can retain its self respect and keep on the war and who feel that the interests of humanity demand that the United States take one will patronize this worthy cause.

The Old Friends paraded to the Presbyterian church last Sunday night. There was good attendance and the service was much appreciated.

The impression that the play, "The White Feather," to be presented here in the Opera House Clarendon, one night only, Tuesday, May 16, is crowded with weeps and sighs is dispelled with the first appearance of Mr. Guy Usher in the part of Christopher Brent. "Kit," as he is called, draws a son as he appears. And he continues to do so long as the action of the play is kept up, except in some of the sense moments when the opposite trait is boldly brought out.

With quick changing from comedy to serious drama, the interest cannot be allowed to lag. In "Kit" Brent a character has been created who in reality is compelled to live a dual role. He is "The Man Who Stayed at Home," but if he was living in England now, the Derbyshire would not include him, for those in authority would know that the work to which he is assigned is as important and equally as risky as that performed by the man in trousers.

To be branded as a coward; to have to assume the character of "a fool English wanker" in order to successfully withdraw suspicion from his real mission is part that Kit is compelled to play. He takes his parts, accepts the inevitable and continues to act the "nut" even in spite of the most drastic insults.

"The White Feather" is a big production. It is in the hands of competent players and backed by a management known over the entire width of Western Canada as "The Sherman, satisfaction guaranteed or money back" organization.

A British submarine torpedoed a Turkish transport in the sea of Marmara on Tuesday. Several hundred Turkish troops were drowned.

22,022 Miles

In 44 days, a distance of 22,022 miles, without stopping the motor—that's the longest motor stop record in the history of the automobile industry. This record has just been made by a stock Maxwell Touring car. It is authentic, being held under continuous official observation.

For 44 days and nights, this Maxwell stock car was driven over city and country roads, averaging more than 500 miles daily—the engine never stopping, the car stopping only long enough to take on gasoline and oil.

Canadian roads demand an automobile that will "stand up" under the most strenuous conditions—an automobile of power, endurance, dependability.

The Maxwell is now the world's "stand up" champion. And it is finished at Windsor to sell complete at \$850. You have no "extras" to buy.
